

Ms Meryl Bishop  
Director, Environment and Planning  
Georges River Council  
PO Box 205  
HURSTVILLE NSW 1481

Dear Ms Bishop

Thank you for writing to the Department of Planning and Environment regarding Planning Proposals for deferred lands within the Hurstville City Centre

I have considered Council's request and have agreed to extend the timeframe by a further 12 months to 10 March 2019 because I note that Scentre Group has submitted a Planning Proposal to you for your consideration.

When the Department agreed to defer the sites from the Hurstville Local Environmental Plan 2012 (Amendment 3), it was with the expectation that the Planning Proposals for these sites would be submitted shortly after the finalisation of the amendment.

Given the progression of the Planning Proposals to date, I am requesting that you give the Department monthly updates about the matter to ensure that it is submitted for Gateway consideration within this extended timeframe.

Should you have any further enquiries about this matter, I have arranged for Mr Douglas Cunningham of the Department's Sydney Region East team to assist you. Mr Cunningham can be contacted on 9274 6357.

Yours sincerely

Amanda Harvey 23/3/18
