

Mortdale Maintenance Centre Upgrade

October - November 2023

Upcoming investigations

We will be completing upgrade work at the Mortdale Maintenance Centre in 2024.

In preparation for this work, investigation activities will be completed in October and November 2023. Investigation activities will include survey work, borehole digging involving a vacuum truck and locating existing services through non-destructive digging.

Some investigation work will be completed outside of standard construction hours (**7am until 6pm Monday to Friday, and 8am until 1pm on Saturdays**) during the day on **Saturday 7 October and Sunday 8 October 2023**. This work is not expected to be disruptive.
