

# WELCOME TO THE INAUGURAL GEORGES RIVER COUNCIL UN[CONTAINED] ARTS FESTIVAL!

*Un[contained]* Arts Festival expands and challenges the idea of what 'art' is, breaking it free of a traditional gallery space, and letting it take over the streets. By situating a series of shipping containers in Kogarah, the community are encouraged to explore in and around these pop-up artworks. Bringing together large-scale installations with small discoverable artworks, our community will uncover incidental art experiences, and immersive activities involving performance, sound, light and colour. Transitioning from day to night and stimulating the senses, *Un[contained]* Arts Festival will be an accessible 3-day event, inviting people from all walks of life, across all abilities to take part in a celebration of our city's creativity.

Sit back and relax after a long working week and enjoy a drink in the Archie Rose Distilling Co. garden or, if you are feeling peckish, treat yourself with a burger from Norma's Burger Bar, or some delicious sweet treats from Gelato Messina and Knafeh Bakery.

Georges River Council would like to acknowledge and thank our Principal Sponsor, Colin Daley Quinn Solicitors and our Event Sponsors, St George Private Hospital and St George Bank.
