<i>Format</i>	The ways in which a resource may be presented including print, digital, paperback, audiobook.
<i>Inter-library Loan</i>	An item borrowed from another library service on behalf of a customer.
<i>Library Resources or Materials</i>	See Collections.

<i>Profile</i>	A dynamic document that identifies core collection requirements provided to library suppliers to assist in selection.
<i>Reference Resources</i>	Resources containing concise information and facts that are referred to rather than read.
<i>Vanity Press</i>	A business, often with no selection criteria, that authors pay to publish their work.

POLICY STATEMENT

Georges River Libraries develop collections that are freely available and that reflect the needs of its diverse community, promote creativity, celebrate local identity, support lifelong learning and foster social cohesion.

1. The Collections

- 1.1. Fiction** A wide range of popular and literary fiction, including graphic novels with an emphasis on literary award winners and Australian authors of merit.
- 1.2. Non-fiction** Information and factual material that will assist individuals in their life-long learning needs and recreational pursuits with an emphasis on current information.
- 1.3. Electronic Resources** Electronic resources including eBooks, audiobooks, digital magazines, journals, databases, film and music streaming services, with a preference for resources that can be accessed anywhere via an internet connection.
- 1.4. Children's** Picture books, first readers, fiction, non-fiction and graphic novels that inform and stimulate the joy of reading and discovery.
- 1.5. HSC** Books, magazines, graphic novels and audio-visual material that support the New South Wales Higher School Certificate curriculum
- 1.6. Reference** Sources of current information including atlases, dictionaries, year books and encyclopaedias with a preference for online resources
- 1.7. Audio-visual** Audio Books and MP3s that provide an audio alternative to recreational reading. CDs that provide a representative sample of a range of music styles, popular artists and recordings. DVDs of popular and critically acclaimed films, television series, documentaries, plays and concerts.
- 1.8. Magazines & newspapers** Selected suburban, metropolitan and national newspapers in hardcopy. Local CALD newspapers and magazines in the major community languages. Magazines of general interest. Newspapers and bulletins from political parties and religious groups will not be collected.

1.9. Local Studies Printed material, photographs, recordings, archival media, digital resources that record the unique history of the Georges River Council area and assist with genealogical research.

1.10. Toys & equipment A range of toys and musical instruments that will assist children and older people develop and maintain physical, cognitive and social skills.

1.11. English learning Material that will help people improve their English language skills to a level that constitutes practical understanding and literacy. Material that will assist people from non-English speaking backgrounds achieve certified proficiency in English language skills.

1.12. Community Languages Material to help members of the Georges River CALD communities maintain their cultural and linguistic heritage. This collection is responsive to demographic changes and emergent languages. The State Library of New South Wales' Living, learning libraries: Standards and guidelines for New South Wales public libraries will guide the provision of library services to the local CALD community.

2. Procurement

The procurement of library materials complies with Council's Procurement Policy and in accordance with Council's principles of transparency and sound financial management.

3. Responsibility

Collection development is the responsibility of specialist library staff with oversight by the Manager Library Services

4. Selection

4.1 Selection methods Items will be selected using the following:

- Profiles developed and monitored by library staff and managed by authorized library suppliers
- Standing orders for authors and series
- Staff and customer recommendations
- Staff selections

4.2 Selection criteria

The following criteria will be taken into consideration when selecting resources for inclusion in the collection:

- Accuracy of information
- Authority of author/publisher/producer

- Literary/artistic merit
- Popularity or anticipated demand
- Durability
- Suitability of format
- Licencing or contract terms
- Price
- Compliance with Australian standards or legislation
- Ease of use
- Items that have relevance and value to the local studies of Georges River including geographic, historical, cultural, sociological and political material.

Criteria that may exclude resources from selection:

- Textbooks, unless they are the only source of information on a topic
- Vanity press publications
- Resources in a language not currently collected
- Resources that contain novelty or promotional accessories
- Books that are designed to be written into

5. Maintenance

5.1. The collections will be continually evaluated using evidence-based methodologies to maintain a well-balanced, attractive and up to date collection. Resources will be withdrawn when:

- Information is inaccurate or out of date
- Subject is no longer of general interest
- Poor physical condition
- Superseded editions
- Low demand
- Duplicate copies in excess of demand

5.2. This criteria does not apply to Local Studies collections, which will be maintained according to their relevance to the history and culture of the Georges River area

6. Access

Where technology, systems and format allow:

- Resources are listed in the online catalogue with full subject access.
- Resources are regularly listed and updated on the Libraries Australia database.
- Items, with the exception of toys, can be transferred to the branch of their choice for collection by the customer.
- The Home Library Service makes regular deliveries of library material to people in the Georges River Local Government Area who are house-bound or residents of aged care facilities.

7. Disposal of stock

Deselected stock may be:

- Sold
- Offered to other libraries or non-profit organisations
- Recycled
- Sent to waste collection

8. Controversial and sensitive material The Library has a responsibility to provide a broad range of information and opinion and upholds the principle of intellectual freedom. Material shall not be excluded just because it is controversial. The library shall not self-censor by restricting access to material unless restriction is required by law. It is the responsibility of parents and carers to monitor the reading and viewing choices of their children.

9. Items not held by the library Library members are encouraged to make suggestions for purchase to ensure the collections are relevant and meet the community's needs. These suggestions will be purchased if they meet the selection criteria outlined in section 4. Items that cannot be purchased or that do not fit the selection criteria will be obtained for customers via an interlibrary loan where possible.

10. Donations and bequests The Library accepts donated material and bequests under the following provisions:

- Donations will not be accepted without prior approval from the responsible librarian.
- Material must be in "as new" condition

- Material not in “as new” condition will only be accepted if it is relevant to the Local Studies collection.
- Any material donated to the Library becomes the property of Georges River Libraries.
- Conditional donations and bequests are not accepted.
- Material may be added to the collections if it meets the selection considerations outlined in the Collection Development Policy.
- Material that is not added to the collections may be offered for sale with the proceeds being returned to the Library.
