POLICY STATEMENT

1. General Principles

- 1.1. Any member of the public has a legal right to make an application to Council for access to information that it holds.
- 1.2. There is a general presumption in favour of the disclosure of government information unless there is an overriding public interest against disclosure.
- 1.3. A person's right to access government information in NSW is regulated under the GIPA Act and Regulations, and also other legislation, such as the PPIPA and HRIPA.
- 1.4. Council will assess all requests for access to information in a timely manner and in accordance with relevant legislation.
- 1.5. Council will apply fair and reasonable charges for access to information in accordance with relevant legislation and Council's Schedule of Fees and Charges.
- 1.6. Council is committed to the following principles in facilitating public access to information:
 - Openness and transparency
 - Consideration of the 'public interest' in the assessment of all requests
 - Proactive disclosure and dissemination of information
 - Respect for the privacy of individuals

2. Accessing Government Information

There are four ways to obtain access to information held by Council:

2.1 Mandatory Proactive Release (open access)

- 2.1.1 Under the law Council must release certain information unless there is an overriding public interest against doing so.
- 2.1.2 Council's website is the central reference point where members of the public can search for this information.
- 2.1.3 This type of information includes Council policies, meeting agendas and minutes, media releases, annual reports, register of government contracts and disclosures log of access applications.

2.2 Authorised proactive release

- 2.2.1 Council proactively releases information with a commitment to providing as much information as possible for free on Council's website, or in another appropriate manner and by the amount specified in Council's current [Adopted Fees and Charges](#).

2.3 Informal Access Applications

- 2.3.1 Information that is not available by mandatory or authorised proactive release may be provided through informal release, subject to any reasonable conditions that Council may wish to impose, including deleting matter that would otherwise result in there being an overriding public interest against disclosure.
- 2.3.2 Applications for informal release can be made in writing by completing an [Informal Access Application Form](#) which is available on Council's website.
- 2.3.3 There is no fee required for an informal access application, but photocopying fees may apply as specified in Council's current [Adopted Fees and Charges](#).
- 2.3.4 Informal requests will be processed in a timely manner and as soon as practical. Turnaround times will also depend on the volume of information sought and whether documents need to be retrieved from hard copy files.

2.4 Formal Access Applications

- 2.4.1 A formal access application may be required where the information requested is not available by proactive or authorised release or informal access, and the information sought:
 - Is of a sensitive nature that requires careful consideration of the public interest test;
 - Contains confidential information;

- Contains personal information of third parties who must be consulted;
 - Contains business information of third parties who must be consulted; or
 - Would involve a significant diversion of Council resources
- 2.4.2 Formal access applications must be made in writing by completing a [Formal Access Application Form](#) which is available on Council's website.
- 2.4.3 Processing charges as outlined in Division 5 of the GIPA Act apply to formal access applications, and additional processing costs, such as photocopying costs, may apply as outlined in Council's Current [Adopted Fees and Charges](#).
- 2.4.4 Formal access applications will be acknowledged and determined within the statutory periods prescribed by section 57 of the GIPA Act, which includes making a determination and notifying the applicant of the decision within 20 working days, unless the applicant agrees to extend the time. Council may also extend the time by up to 15 working days when consultation with a third party is required or if Council needs to retrieve records from archives.

3. Copyright Restrictions

- 3.1 Information held by Council is subject to the Copyright Act 1968. The Copyright Act does not permit materials covered by copyright (e.g. DA architect plans or specialist reports) to be copied or published unless the owner of the copyright has given consent. Council will make available documents to inspect, but without the written consent of the copyright owner, Council cannot provide copies of copyright materials.

4. Public Interest Test

- 4.1 Providing access to government information is restricted only when there is an overriding public interest against disclosure. Schedule 1 of the GIPA Act lists the conclusive considerations against disclosure. In addition, section 14 of the GIPA Act lists the discretionary considerations against disclosure.

5. Review of Decisions

- 5.1 Where an applicant is refused access to information by way of a formal application under the GIPA Act, Council will provide details of the reasons for refusal in writing. If the applicant is dissatisfied with Council's determination of their application they may seek to have the decision reviewed either by:
- Internal review - this is a review by a Council officer more senior than the original decision maker. Applicants have 20 working days from receiving notice of a decision to ask for a review, and a \$40 fee is payable by the applicant.

- External Review by the Information Commissioner - the applicant has eight weeks from receiving notice of a decision to ask for a review.
- External Review by NSW Civil Administration Tribunal – the applicant has eight weeks from receiving notice of a decision from Council to ask for a review, or four weeks after the completion of a review by the Information Commissioner.

6. Councillor Access to information

- 6.1 Council's Code of Conduct outlines Councillors' right to access information.
- 6.2 The Code of Conduct states that Councillors must be provided with information sufficient to enable them to carry out their civic office functions.
- 6.3 Further, the Code states that Councillors who have a personal (as distinct from civic) interest in a document of Council have the same rights as any other person, and such requests for access to information by Councillors should be made in accordance with this Policy.
