

Record of Open Access Information Not Publicly Available

Under the *Government Information (Public Access) Act 2009* (GIPA Act) Council is required to make certain information publicly available (which is known as 'open access information'), unless there is an overriding public interest against disclosure.

Below is a record of open access information that hasn't been made available to the public because Council considers there to be an overriding public interest against disclosure. This below record complies with s.6 and s.18 of the GIPA Act.
