WHAT'S YOUR VISION FOR BEVERLY HILLS TOWN CENTRE?
Georges River Council is working with the community to explore opportunities to make the Beverly Hills Town Centre a better place to live, work and visit. The first step towards revitalising this important local centre will be the creation of a vision.

Help shape the vision for Beverly Hills Town Centre by telling us what works well, what could be improved, and what you would like the Beverly Hills Town Centre to look and feel like in the future.

You can share your feedback in the following ways:
• Roaming Surveys: Look out for our roaming survey staff at Beverly Hills Town Centre on Thursday 1 November 3.30pm-5.30pm
• Pop-up kiosk: Visit us at the Plaza on Tooronga Terrace (across from the IGA) on Saturday 3 November 10.00am-12.00pm
• Your Say website: Visit Council's Your Say panel at yoursay.georgesriver.nsw.gov.au to provide a written submission or complete a survey.

Once we have developed a vision that reflects your expectations and needs, Council will prepare a draft Masterplan for the area. The draft Masterplan will recommend a future development strategy for the area and include planning and urban design principles that will help to revitalise the Beverly Hills Town Centre. Developing the Masterplan will be a separate stage in the process. We will continue to involve the community by seeking your feedback at key stages in this process.

For more information please contact Council on 9330 6400 or mail@georgesriver.nsw.gov.au.
