

DEVELOPMENT INFORMATION SESSIONS

Development Information Sessions

Development Information Sessions are free information evenings hosted by the Development Advisory Services Team.

These sessions are targeted at both community members and building professionals.

The sessions are used as an opportunity to educate customers on various development related topics and the services offered by the team

Scheduled dates for Information Sessions

The Information Sessions are held in the evenings at the Hurstville and Kogarah Service Centre. The remaining Information Sessions for 2019 are:

Residents

Date	Location	Time
10 Sep 2019	Kogarah Library Foyer	6pm to 7pm
3 Dec 2019	Dragon Room Hurstville Service Centre	6pm to 7.30pm

Building Professionals

Date	Location	Time
28 Nov 2019	Dragon Room Hurstville Service Centre	6pm to 7pm

Service Offering

The purpose of the sessions is to outline the range of services offered by the Development Advisory Services Team and explain the complying development and development application processes.

The sessions are used as an opportunity to educate residents and building professionals about:

- Development related topics (e.g. heritage, drainage and stormwater, BASIX Certificates).
- Upcoming business improvement initiatives.
- Customer facing changes to process or procedures at Georges River Council.

The sessions are also used as an opportunity to obtain feedback from customers.

Register to Attend

Seats are limited so it is important to register interest in attendance. Email your interest in attendance to mail@georgesriver.nsw.gov.au or contact Sue Matthew – Team Leader Development and Administration on (02) 9330 6033.

Scheduled Dates for 2020

The dates for 2020 Information Sessions for residents and building professionals will be published in December 2019 on the Development Information Sessions webpage on Council's website.

If you have any questions about this service please contact the Team Leader – Development Advisory Service on (02)9330 6400.
