Executive Summary

1. A report has been prepared for the Georges River Local Planning Panel (“LPP”) on the Outcomes of Public Exhibition and Finalisation of Georges River Local Environmental Plan 2020 - PP2019/0004 (LPP027-20).
2. Subsequent to the preparation of the report, four mapping errors have been identified through the review of the Height of Buildings Map, Floor Space Ratio Map and Lot Size

for Dual Occupancy Development Map for the draft *Georges River Local Environmental Plan 2020* (“GRLEP 2020”).

3. It is recommended that the LPP endorses the following recommended amendments to the draft GRLEP 2020 and forwards the amended Planning Proposal to the Department of Planning, Industry and Environment (“DPIE”) for finalisation:
 - a) Additions to Clause 1.2 Aims of Plan;
 - b) Amendments to the objectives of the R2 Low Density Residential zone;
 - c) Amendments to the objectives of the R3 Medium Density Residential zone;
 - d) Addition to the objectives of the IN2 Light Industrial zone;
 - e) Amendments to Clause 5.1 Relevant acquisition authority and the associated Land Reservation Acquisition Map;
 - f) Amendments to Clause 6.6 Riparian lands and waterways;
 - g) Amendments to Clause 6.7 Foreshore scenic protection area;
 - h) Amendments to Clause 6.11 Design excellence;
 - i) Amendments to Clause 6.13 Landscaped areas in certain residential and environmental protection zones;
 - j) Addition of new local provision – Clause 6.19 Tree protection and landscaping in Zones R2 and R3;
 - k) Additions to Schedule 1 Additional permitted uses;
 - l) Amendment to the Height of Buildings Map for 33 Dora Street, Hurstville from 15 metres to 30 metres;
 - m) Amendment to the Floor Space Ratio Map for 360-362 Forest Road and 34 MacMahon Street, Hurstville from 3.5:1 to 6:1;
 - n) Amendment to the Floor Space Ratio Map for 12-16 and 26 Princes Highway, 60B Gray Street and 5 Rocky Point Road, Kogarah from no FSR to 2:1; and
 - o) Amendment to the Lot Size for Dual Occupancy Development Map for 333-339 and 357-365 Stoney Creek Road, Kingsgrove from a 650sqm minimum lot size for dual occupancy development to no minimum lot size.

Report in Full

4. Following a review of the maps for the finalisation of the draft GRLEP 2020, four mapping errors have been identified in the Height of Buildings Map, Floor Space Ratio Map and Lot Size for Dual Occupancy Development Map.
5. The heights, floor space ratios (“FSRs”) and minimum lot size for dual occupancy developments in four areas of the Georges River Local Government Area (“LGA”) were inadvertently amended in the exhibited maps of the draft GRLEP 2020.

33 Dora Street, Hurstville

6. The Height of Buildings Map in the *Hurstville Local Environmental Plan 2012* (“HLEP 2012”) indicates a maximum permissible height of 30 metres for 33 Dora Street, Hurstville as shown in **Figure 1** below.

Figure 1 – Extract of the existing HLEP 2012 Height of Buildings Map for 33 Dora Street, Hurstville

- 7. The Height of Buildings Map exhibited for the draft GRLEP 2020 indicated a maximum permissible height of 15 metres for the site as shown in **Figure 2** below.

Figure 2 – Extract of the exhibited draft GRLEP 2020 Height of Buildings Map for 33 Dora Street, Hurstville

- 8. During the preparation of the maps for the exhibition of the draft GRLEP 2020, the Height of Buildings Map was amended for the subject site to rectify an existing anomaly as the adjoining sites at 35-49 Dora Street also have a maximum FSR of 3:1 but a height of 15 metres.
- 9. The development controls in the Hurstville City Centre under the existing HLEP 2012 have been translated into the draft GRLEP 2020 with the intent that they be reviewed in a holistic manner in LEP 2022, which will focus on jobs and activation in the LGA, including in the Hurstville City Centre.

- 12. The Floor Space Ratio Map exhibited for the draft GRLEP 2020 indicated a maximum permissible FSR of 3.5:1 for the site as shown in **Figure 5** below.

Figure 5 – Extract of the exhibited draft GRLEP 2020 Floor Space Ratio Map for 360-362 Forest Road and 34 MacMahon Street, Hurstville

- 13. The inadvertent mapping error was identified in a review of the maps for the finalisation of the draft GRLEP 2020 and it is recommended that the exhibited Floor Space Ratio Map be amended to reinstate the existing 6:1 FSR for the sites prior to being forwarded to the DPIE for gazettal as shown in **Figure 6** below.

12-16 and 26 Princes Highway, 60B Gray Street and 5 Rocky Point Road, Kogarah

- 14. The Floor Space Ratio Map in the *Kogarah Local Environmental Plan 2012* (“KLEP 2012”) indicates a maximum permissible FSR of 2:1 for 12-16 and 26 Princes Highway, 60B Gray Street and 5 Rocky Point Road, Kogarah as shown in **Figure 7** below.

Figure 7 – Extract of the existing KLEP 2012 Floor Space Ratio Map for 12-16 and 26 Princes Highway, 60B Gray Street and 5 Rocky Point Road, Kogarah

- 15. The Floor Space Ratio Map exhibited for the draft GRLEP 2020 did not indicate any FSR for the site as shown in **Figure 8** below.

Figure 8 – Extract of the exhibited draft GRLEP 2020 Floor Space Ratio Map for 12-16 and 26 Princes Highway, 60B Gray Street and 5 Rocky Point Road, Kogarah

- 16. The inadvertent mapping error was identified in a review of the maps for the finalisation of the draft GRLEP 2020 and it is recommended that the exhibited Floor Space Ratio Map be amended to reinstate the existing 2:1 FSR for the sites prior to being forwarded to the DPIE for gazettal as shown in **Figure 9** below.

333-339 and 357-365 Stoney Creek Road, Kingsgrove

- 17. The HLEP 2012 does not contain a Lot Size for Dual Occupancy Development Map.
- 18. The Lot Size for Dual Occupancy Development Map exhibited for the draft GRLEP 2020 indicated a 650sqm minimum lot size for dual occupancy development for 333-339 and 357-365 Stoney Creek Road, Kingsgrove as shown in **Figure 10** below.

Figure 10 – Extract of the exhibited draft GRLEP 2020 Lot Size for Dual Occupancy Development Map for 333-339 and 357-365 Stoney Creek Road, Kingsgrove

- 19. The site is proposed to be zoned B2 Local Centre in which dual occupancies are prohibited. Accordingly, there should be no minimum lot size for dual occupancies control for the site.
- 20. The inadvertent mapping error was identified in a review of the maps for the finalisation of the draft GRLEP 2020 and it is recommended that the exhibited Lot Size for Dual Occupancy Development Map be amended to remove the minimum lot size for dual occupancies for the sites on Stoney Creek Road, Kingsgrove prior to being forwarded to the DPIE for gazettal as shown in **Figure 11** below.
