

## Declaration of Interest - Georges River Council

MEETING DATE	17 December 2019
Agenda Item/Panel reference number	LPP064-19 - Lot 23, 23 Bay Road Oatley

In relation to this matter, I declare that I have:

no known conflict of interest

an actual<sup>1</sup> , potential<sup>2</sup>  or reasonably perceived<sup>3</sup>  conflict of interest as detailed below:

At the time that <sup>the</sup> original Development Application (DA2017/0198) was considered by the Local Planning Panel (24 Oct 2018), I declared a conflict of interest. In 2018, I was a member of Oatley Flora + Fauna Society and that organisation made submissions objecting to the excessive removal of vegetation and rock formations.  
I am no longer a member of Oatley Flora + fauna Society, however I declare that there may be a perceived conflict of interest in relation to MOD2019/0097.

<sup>1</sup> An 'actual' conflict of interests is where there is a direct conflict between a member's duties and responsibilities and their private interests or other duties.

<sup>2</sup> A 'potential' conflict of interests is where a panel member has a private interest or other duty that could conflict with their duties as a panel member in the future.

<sup>3</sup> A 'reasonably perceived' conflict of interests is where a person could reasonably perceive that a panel member's private interests or other duties are likely to improperly influence the performance of their duties as a panel member, whether or not this is in fact the case.
