

Georges River Council Disclosure Log

The Government Information (Public Access) Act 2009 (GIPA Act) requires Council to keep a record containing information about formal access applications made to Council where Council decides to provide access (to all or some of the information) and Council considers that the information determined to be released may be of interest to other members of the public. Refer sections 18(d) and 25 of the (GIPA Act).

Note: For all access requests to this information please email the Governance and Risk business unit at mail@georgesriver.nsw.gov.au
